Attention Provider Type 11 (Hospital, Inpatient):

Update Regarding Claims for Intensive Care Unit Services

Update to [Web Announcement 2108](#): Claims for admissions on or after January 1, 2020, through February 12, 2020, for Neonatal Intensive Care Unit (NICU), Pediatric Intensive Care Unit (PICU) and Medical Surgical Intensive Care Unit (Med/Surg/ICU) services that did not pay the updated rates have been automatically reprocessed. Results of the reprocessed claims appear on the remittance advice dated April 10, 2020.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
